

Art

Year 3 have studied a range of different artists and explored different mediums including digital art to create their own abstract plant drawings.

PSHE

Year 3's PSHE topic has been all about 'Being me in my world'. They have been learning about celebrating their achievements and understanding how to face challenges. They created their very own nightmare and dream schools!

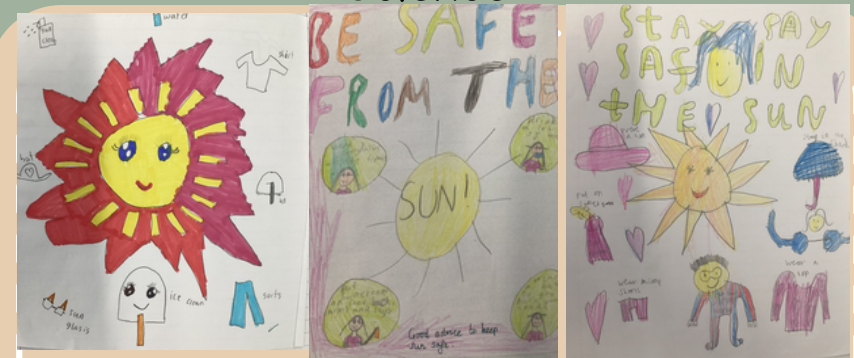

Geography

Year 3 have been learning lots about earthquakes, including why and how they happen. They have become experts and even created their own earthquake proof buildings out of spaghetti and marshmallows!

Autumn 1 highlights

Science

Year 3 have been exploring light, carrying out a range of investigations to understand light and understand how to stay safe in the sun.
